Around School

This was a very busy and exciting week on campus at the Hebrew Day Institute. The 4th Graders performed the play "The Riddle of the Egg and the Bean"

written by Hayim Nahman Bialik. Bialik was a poet, translator, essayist, storyteller, editor, and is considered one of the greatest Hebrew poets of all time. Bialik is considered Israel's national poet,

although he did not live to witness the birth of the State of Israel. In his book "And it Came to Pass," Bialik retold the legends of King David and Solomon. This story is one of those legends.
